

AAC MUZZLE DEVICE FIT GUIDE

OVERVIEW

TYPES

Advanced Armament Corp offers several mounting solutions to adapt our silencers to a wide variety of host firearms. This FIT GUIDE will assist you in matching the appropriate AAC muzzle device to your customers' firearms.

The mount type is silencer model-specific. The applicable models are listed under each mount type. Each list is not exhaustive and there are sure to be some makes and models not listed. Please contact AAC customer service if you have a question that this guide does not answer.
